The Gift of Being YOU!

With Rev. Sherry Hursey

Unity doesn’t mean uniformity.
It means harmony in diversity.

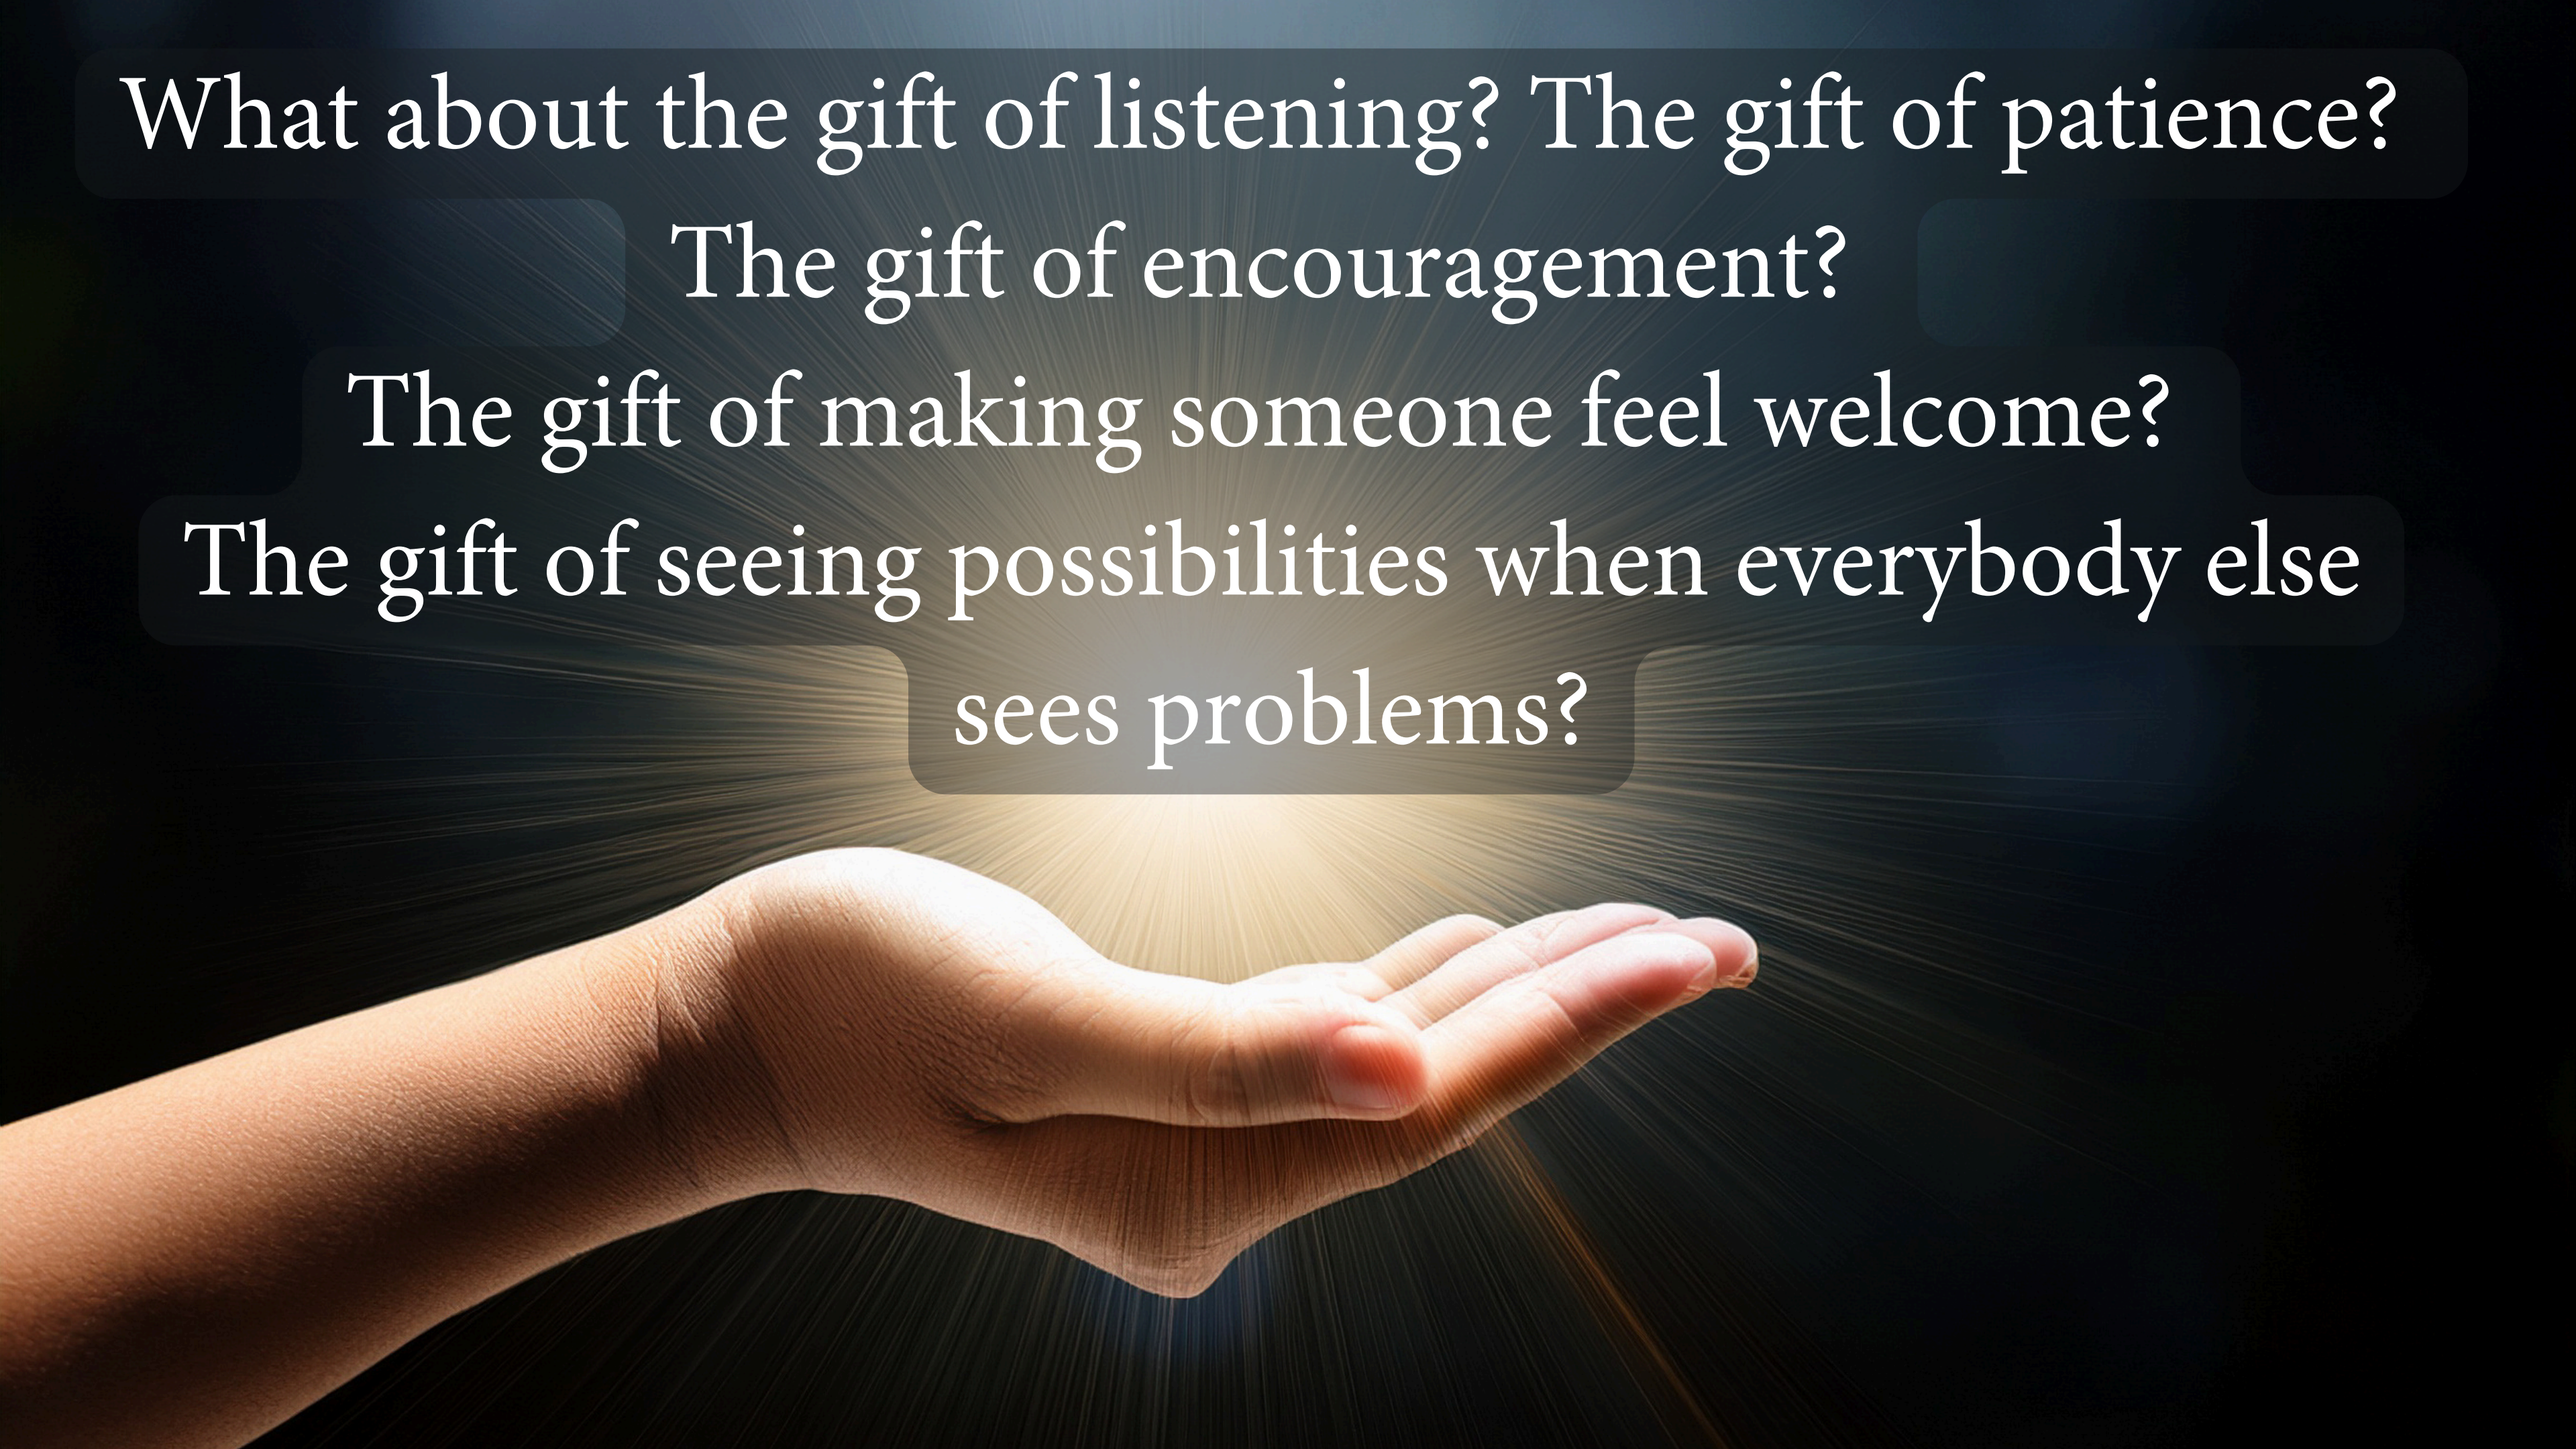

Unity teaching invites us to discover our own inner spiritual compass...the divine guidance within us that knows who we are and what we are capable of becoming.

"Do not be conformed to this world, but be transformed by the renewing of your minds."
Romans 12:2

You are a spiritual being discovering all the wonderful ways your divine nature can be expressed through your humanity.

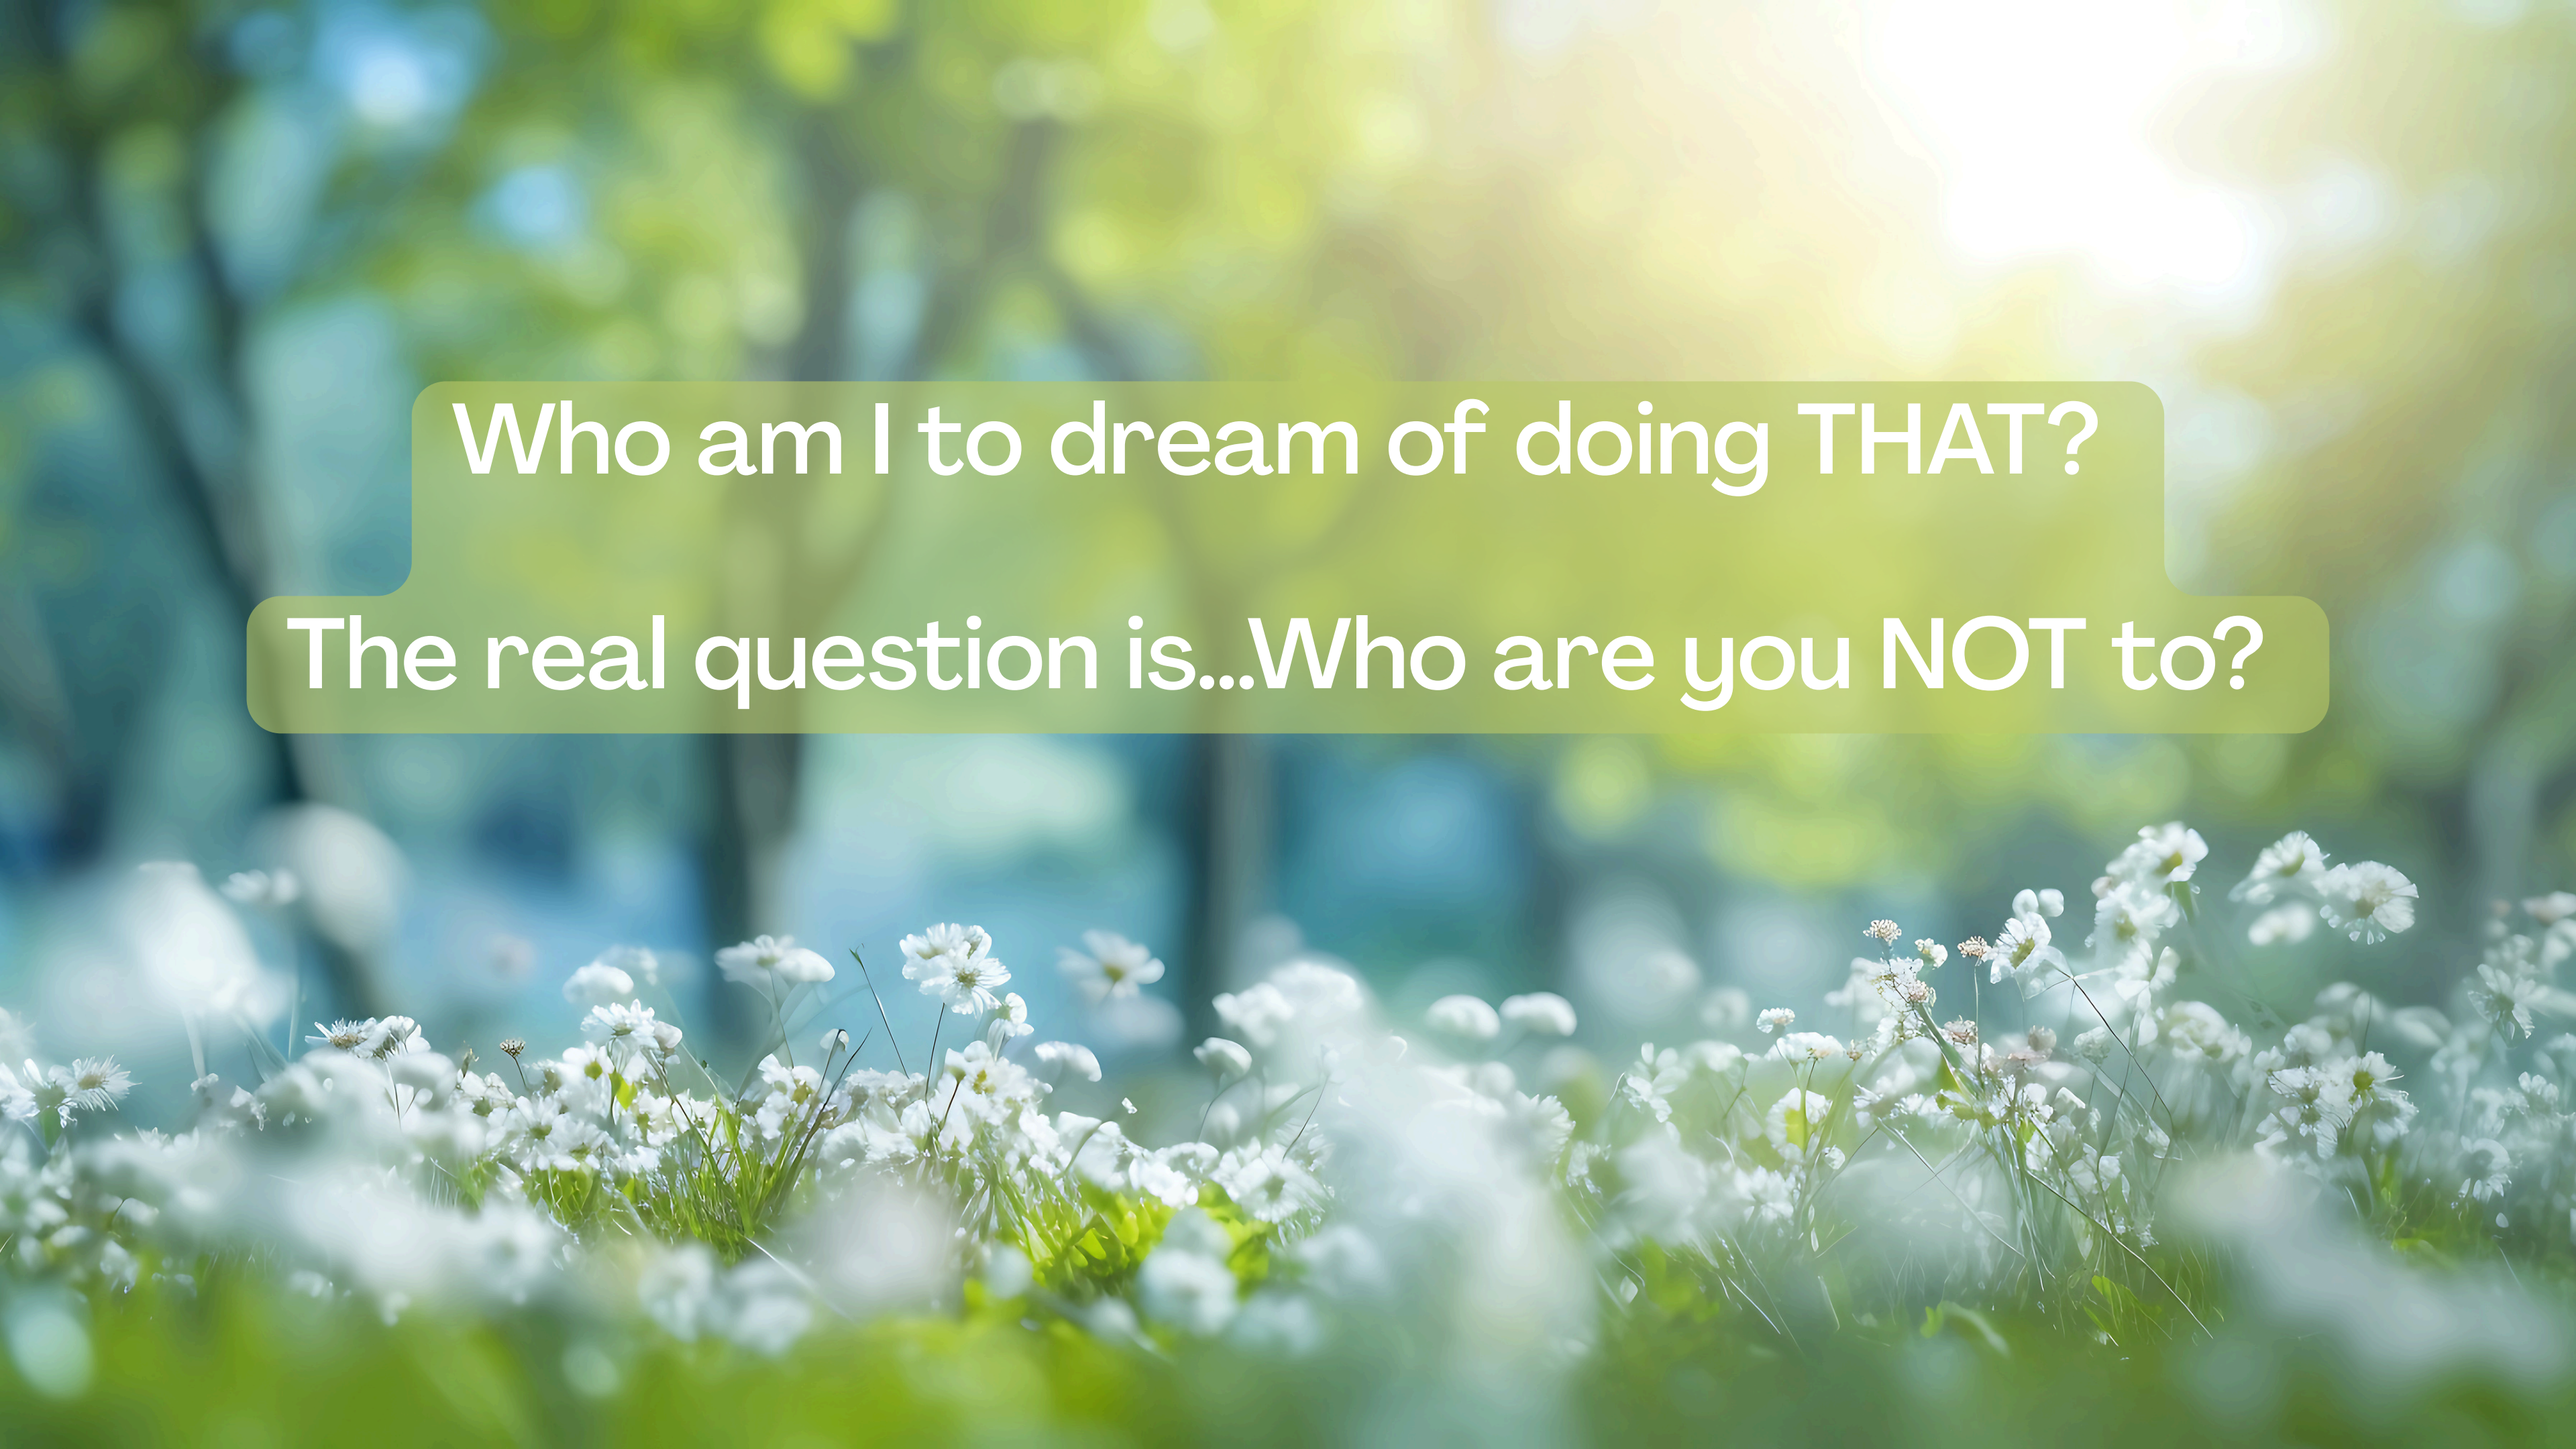

What about the gift of listening? The gift of patience?
The gift of encouragement?
The gift of making someone feel welcome?
The gift of seeing possibilities when everybody else sees problems?

NOT ALL
GIFTS COME
WITH
APPLAUSE.
SOME COME WRAPPED
IN KINDNESS.

WE DON'T SHARE OUR
GIFTS TO PROVE
OUR WORTH.
WE SHARE OUR GIFTS
BECAUSE WE
ALREADY ARE
WORTHY.

Who am I to dream of doing THAT?
The real question is...Who are you NOT to?

Don't Bury Your Talents!

God doesn't need us to be like anybody else.

God needs us to be willing to express the possibilities already within us.

DIVINE IDEAS MOVE FROM DIVINE MIND,
TO IDEA, TO EXPRESSION.
Possibility begins in consciousness.
We nurture it with faith and
imagination. And then we give it
life through action.

"Let your light shine before others, so that they may see your good works and give glory to your Father in heaven."

Matthew 5:16

When you give the world the gift of being YOU, you give God another opportunity to be seen.

Love becomes a helping hand.

Wisdom becomes a word of guidance.

Compassion becomes an act of kindness.

Creativity becomes something beautiful.

And faith becomes the courage to try.

One of the greatest expressions of service to God, is asking,

"What can I bring to life?"

How can I make a difference?
How can I contribute?

How can I allow the love of God within me to touch the world around me?

Affirmation:
The greatest gift I have to give...is the gift of being ME.

WHAT IS ONE GIFT WITHIN ME
THAT I MAY HAVE OVERLOOKED OR
TAKEN FOR GRANTED?

IS THERE A GIFT, A DREAM, OR A
POSSIBILITY THAT I'VE BEEN
KEEPING HIDDEN BECAUSE OF
FEAR OR SELF-DOUBT?

How might I share that gift.
