

Sunday February 8

SAILING THE SEA OF POSSIBILITY

With Rev. Sherry Hursey

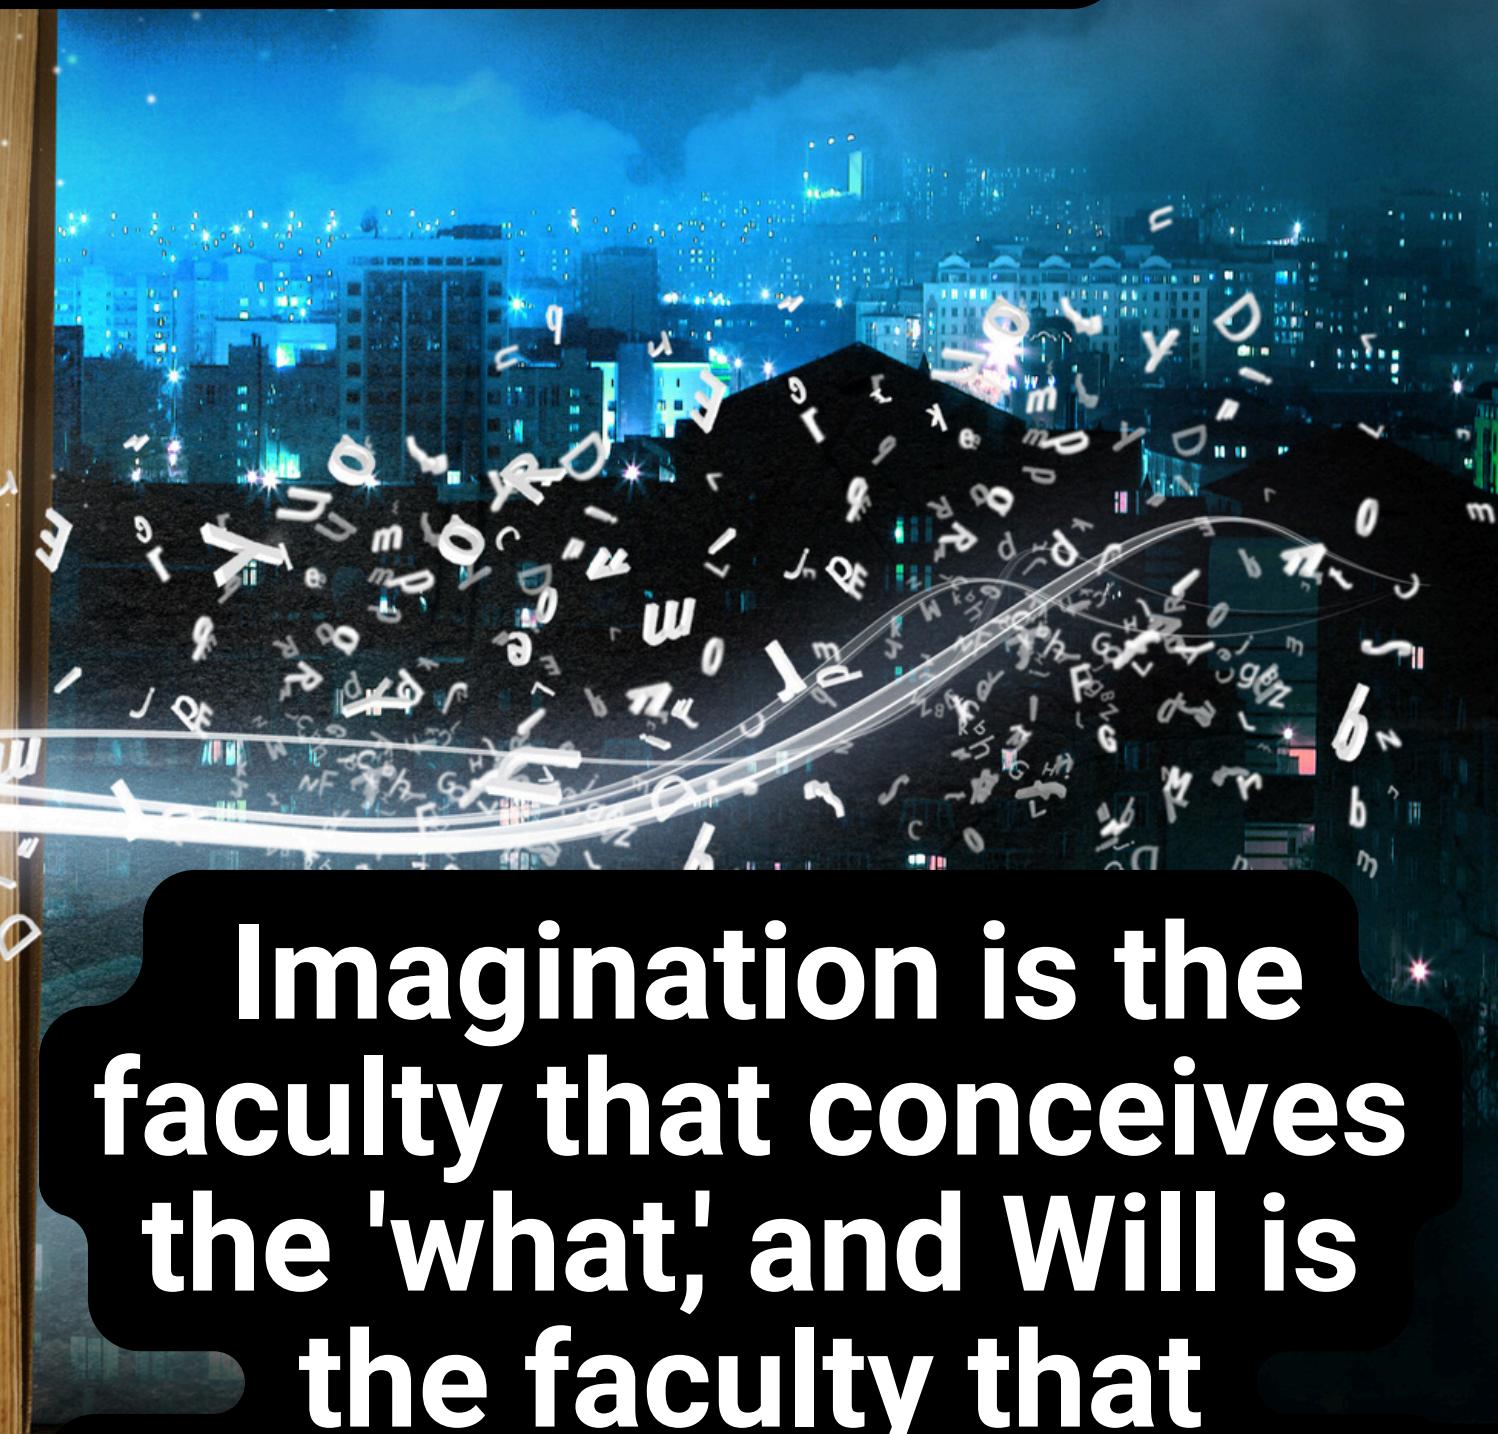

“There is some business toward”
“A grand event is toward”

BRIDGERTON

In that Era 'toward' meant it was in the works, it was brewing, approaching, and inevitable. It wasn't just a direction; it was a state of active becoming.

From Old English *tōweard*, meaning “future” or “coming”.

**Imagination and Will
are the architects of what is 'toward' in our lives.**

**Imagination is the
faculty that conceives
the 'what', and Will is
the faculty that
commands the 'when.'**

POWER OF IMAGINATION

The divine faculty by which we form mental images and envision ideas held in Divine Mind.

The disciple who represents the power of Imagination is Bartholomew

The color is light blue

Location in the body: between the eyes
(the brow center)

POWER OF IMAGINATION

Imagination is the power that allows us to picture possibilities beyond present conditions and shape thought into form.

It lets us see with the mind of God before we see with the eyes of the body.

Affirmation for Imagination

My imagination is a sacred gift.

**I envision clearly and create in
harmony with divine good.**

POWER OF WILL

The divine faculty of decision and direction, by which we choose, command, and move forward in consciousness.

The disciple who represents the power of Will is Matthew.

The color is silver/light grey

Location in the body: The front brain or forehead

POWER OF WILL

Will is the power that focuses and directs the energies of mind and body toward a chosen end.

The faculty by which we decide, commit, and follow the Christ pattern within us.

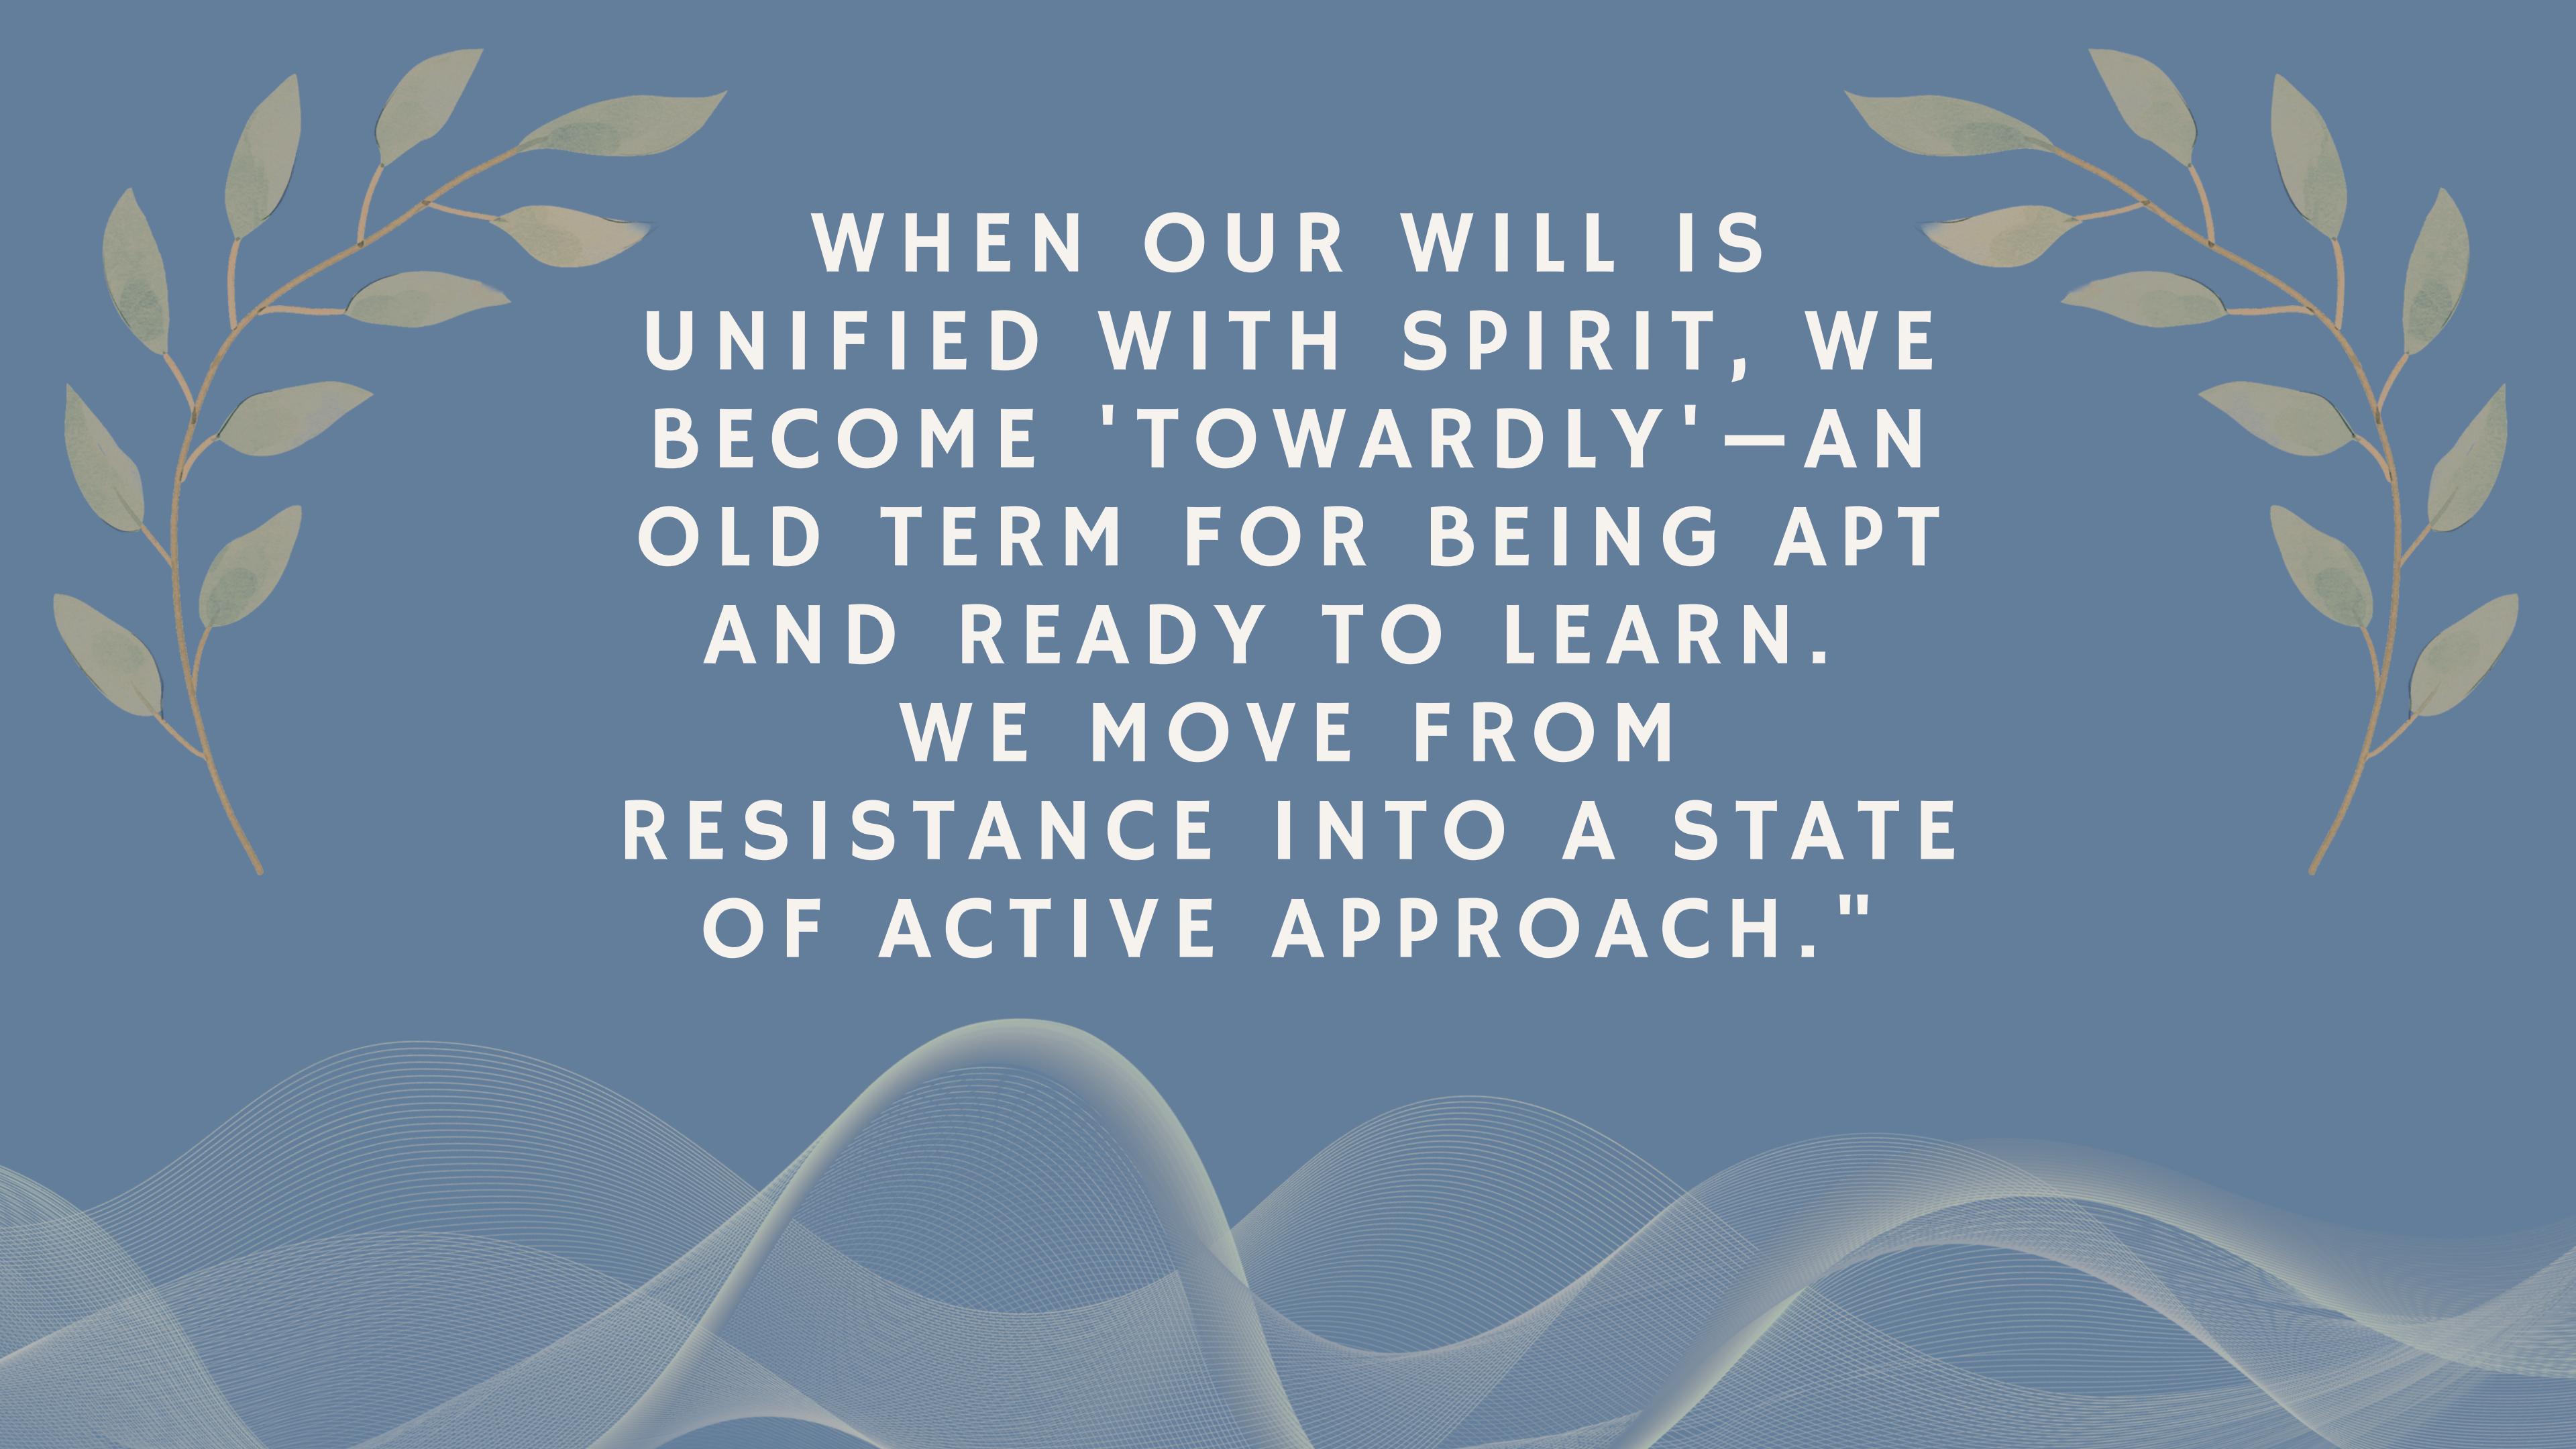

Affirmation for Will

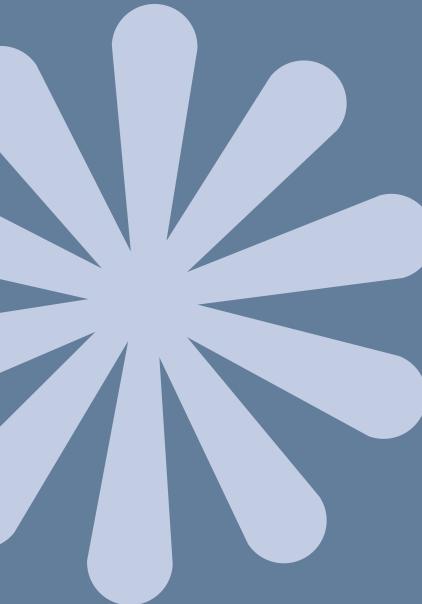

I choose with confidence and
follow through with purpose.

A wide-angle photograph of a mountain range at sunset. The mountains are rugged with dark, layered rock faces. The sky is a clear blue with a few wispy clouds. In the foreground, a dark blue lake reflects the sky and the surrounding peaks. The overall atmosphere is serene and inspiring.

IMAGINATION CONCEIVES THE DESTINATION.
WILL SETS THE DIRECTION. TOGETHER THEY TRANSFORM POSSIBILITY
INTO EXPERIENCE.
IMAGINATION SHOWS US WHAT COULD BE.
WILL CHOOSES WHAT WILL BE.

WHEN OUR WILL IS
UNIFIED WITH SPIRIT, WE
BECOME 'TOWARDLY'—AN
OLD TERM FOR BEING APT
AND READY TO LEARN.
WE MOVE FROM
RESISTANCE INTO A STATE
OF ACTIVE APPROACH."

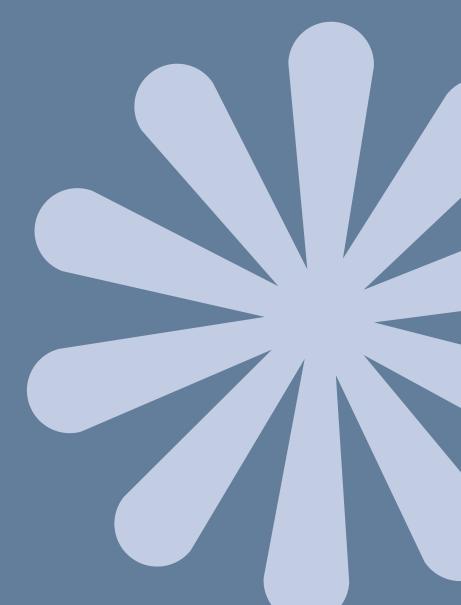

Imagination + Will
are basically the magical
creative engine of the soul.

Imagination sees it.

Will moves it.

Imagination holds the vision.

Will supplies the power to
emerge.

“IMAGINING CREATES!”

**“THE WORLD IS A MIRROR
OF IMAGINAL ACTS.”**

**“GOD IMAGINING AND GOD
BELIEVING HIMSELF.”**

NEVILLE GODDARD

A man stands in a grassy field, looking up at a vast, colorful nebula in the sky. The nebula is composed of swirling patterns of orange, yellow, and purple, with a bright center. The background is a dark, cloudy sky. The man is seen from behind, wearing a dark t-shirt.

**IMAGINATION
REVEALS THE
PATTERN.**

**WILL DRAWS
THE
SUBSTANCE
AROUND IT.**

**IMAGINATION
CHOOSES THE
IDENTITY.**

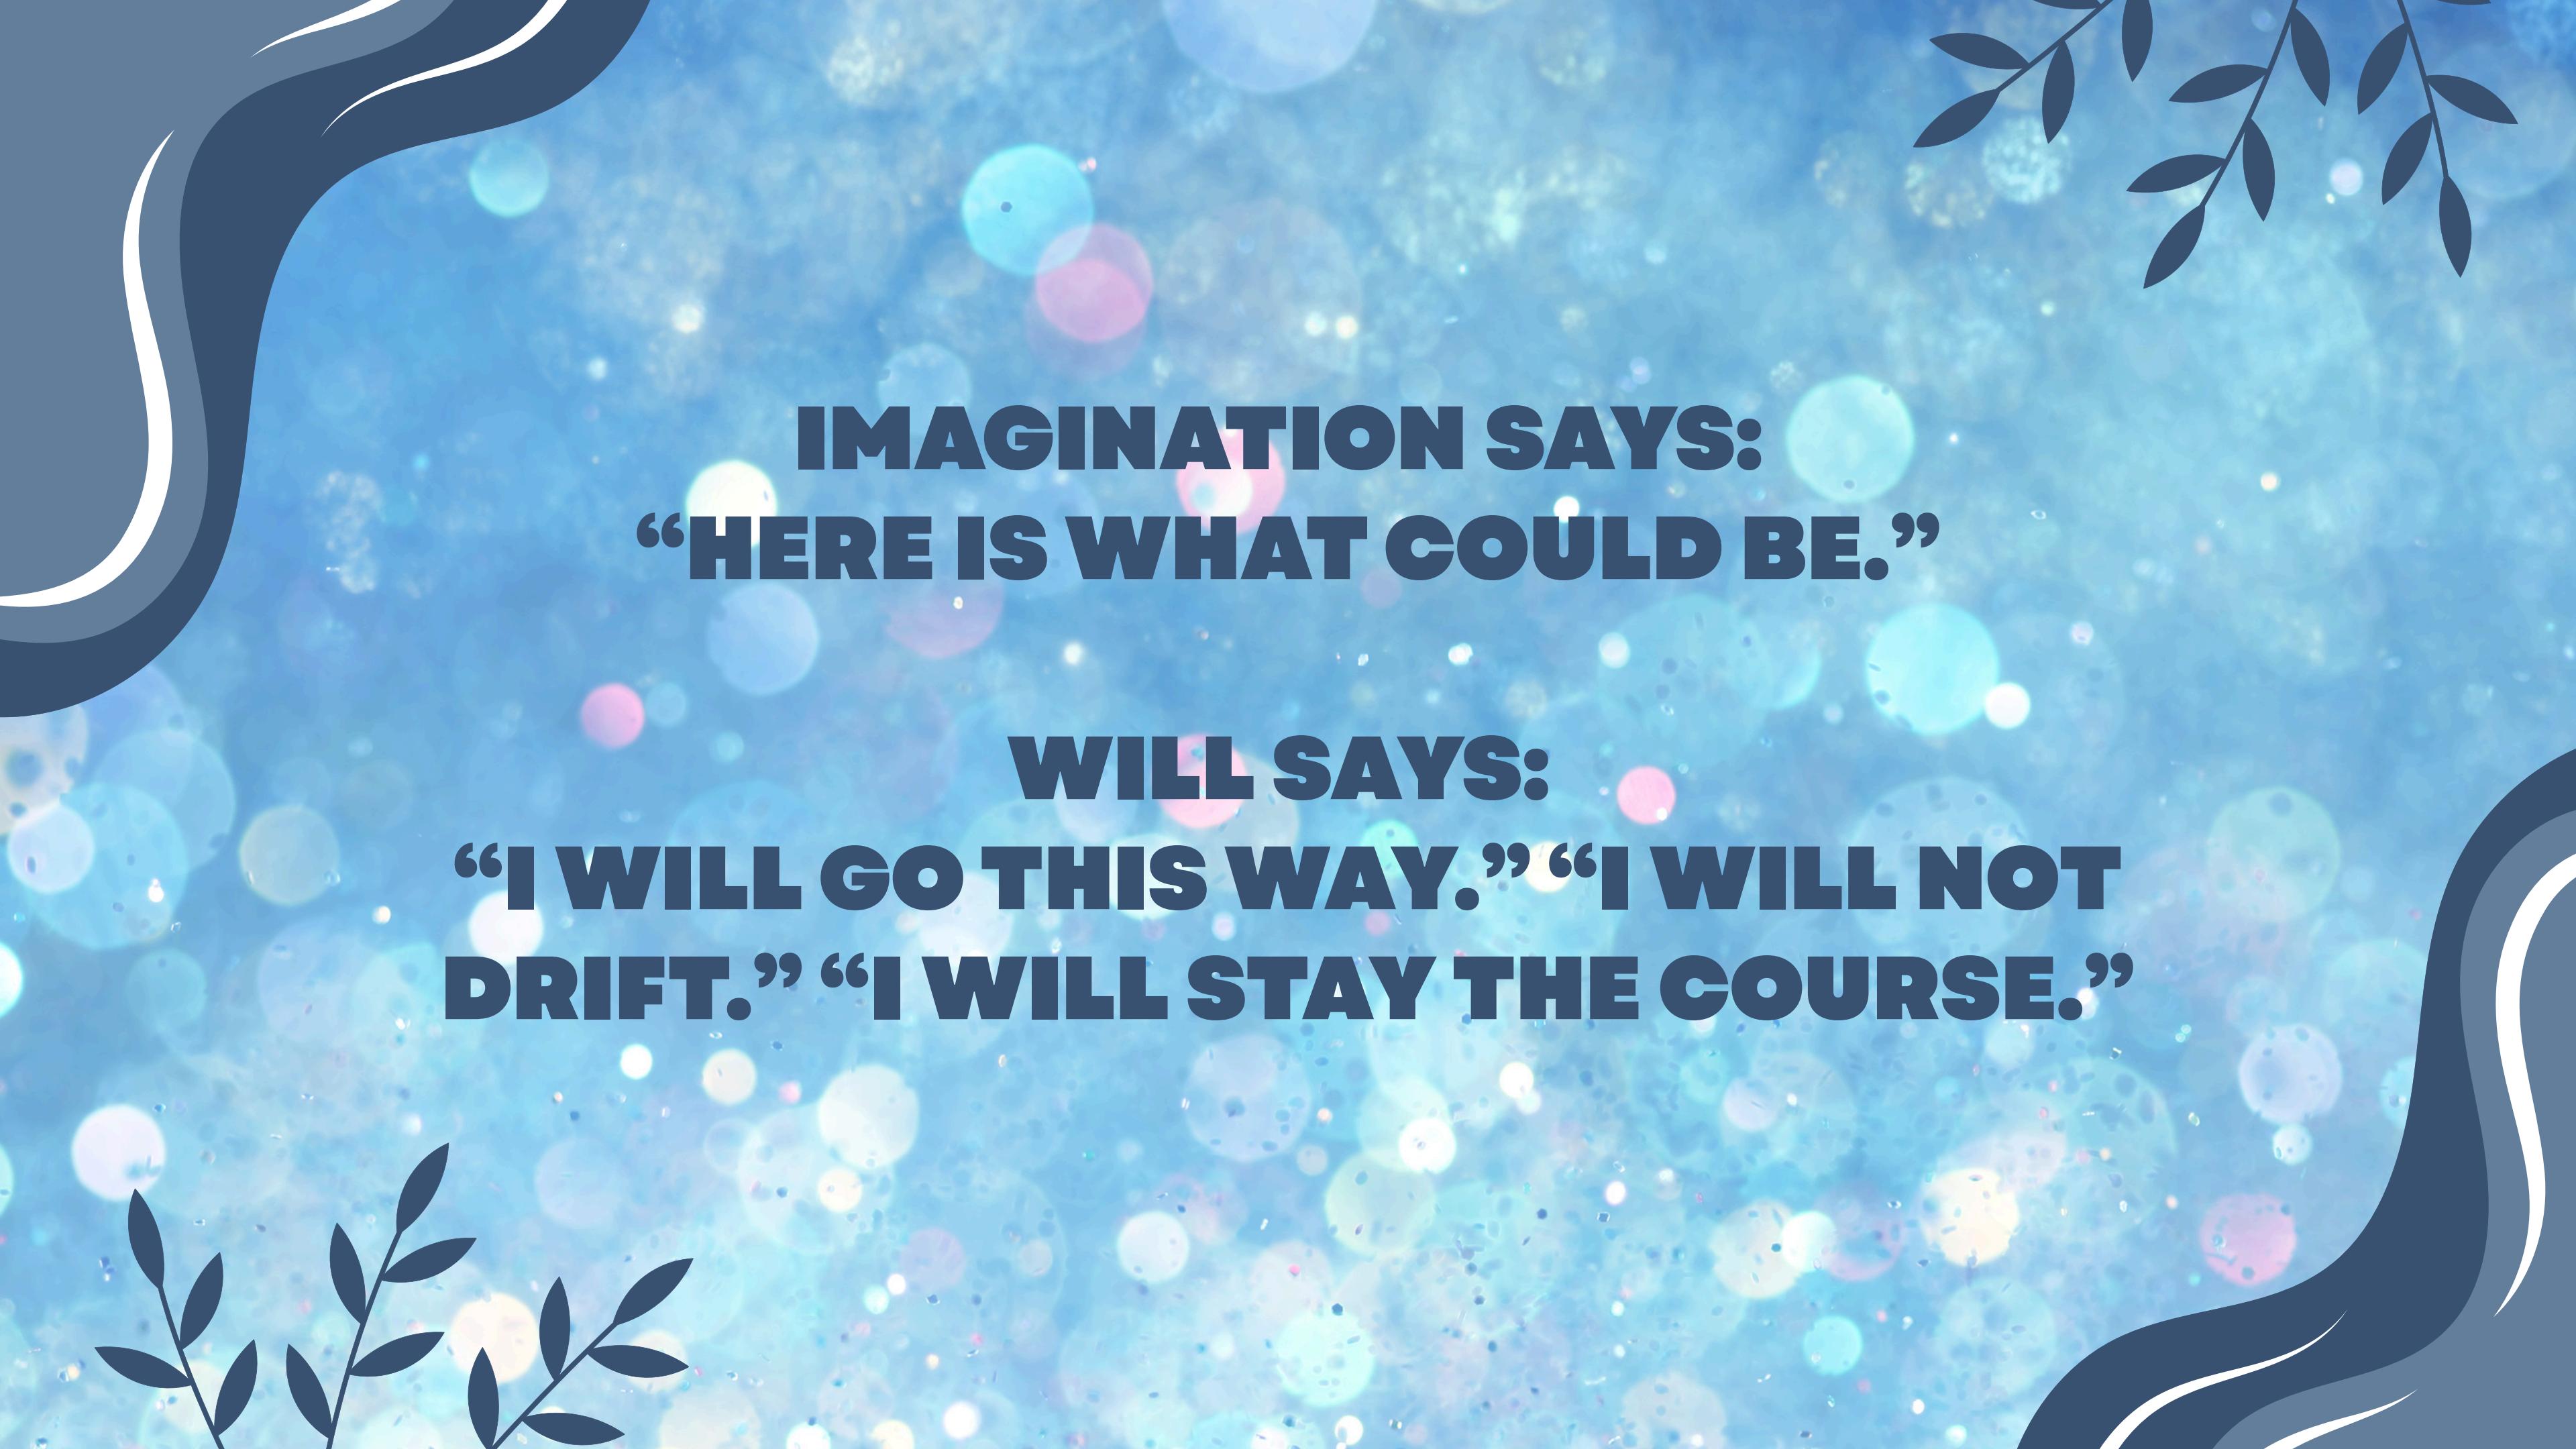

**WILL REMAINS
FAITHFUL
TO IT.**

IMAGINATION IS THE SEA OF POSSIBILITY.

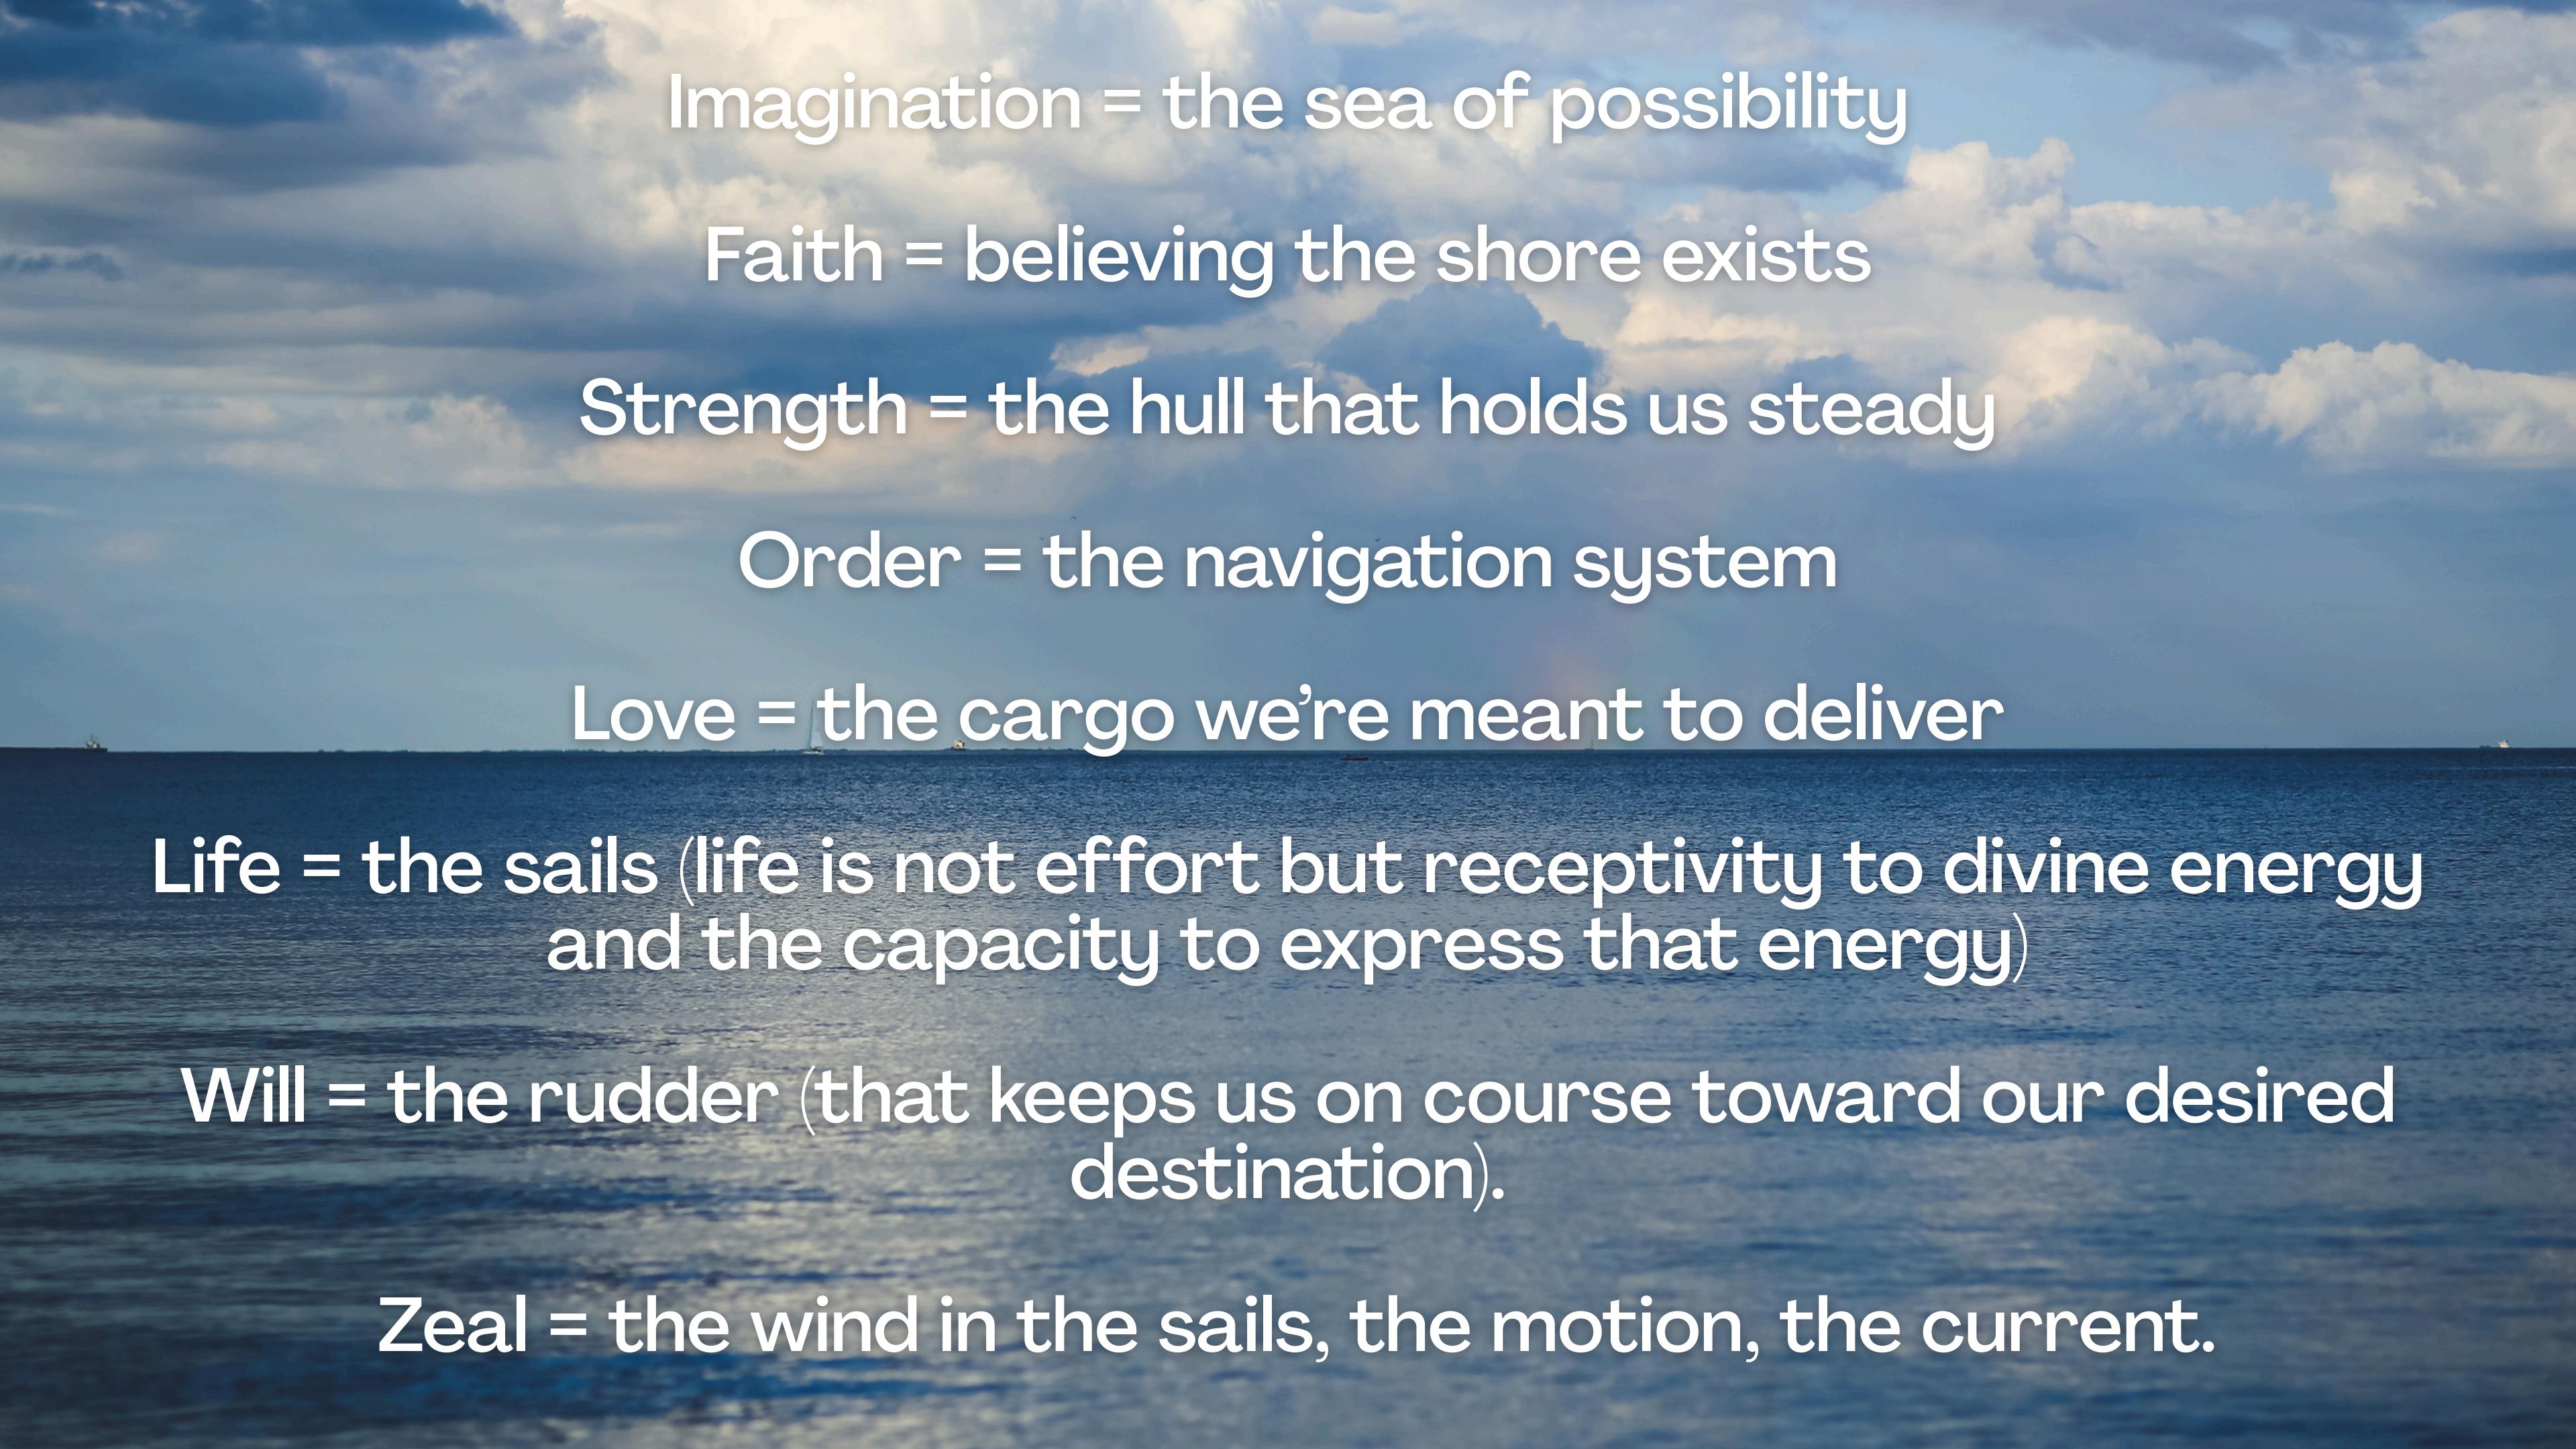

WILL IS THE RUDDER OF CHOICE.

WE ARE THE BOAT OF CONSCIOUSNESS.

**IMAGINATION SAYS:
“HERE IS WHAT COULD BE.”**

**WILL SAYS:
“I WILL GO THIS WAY.” “I WILL NOT
DRIFT.” “I WILL STAY THE COURSE.”**

Imagination = the sea of possibility

Faith = believing the shore exists

Strength = the hull that holds us steady

Order = the navigation system

Love = the cargo we're meant to deliver

Life = the sails (life is not effort but receptivity to divine energy and the capacity to express that energy)

Will = the rudder (that keeps us on course toward our desired destination).

Zeal = the wind in the sails, the motion, the current.

A photograph of a sailboat on the water, viewed from the deck looking out over the ocean. The boat's white sail is partially visible. In the background, there are large, rugged rock formations, likely limestone karsts, rising from the water under a clear blue sky.

Imagination shows us the
blueprint of where we could
go.

Will, as the builder, decides
where we will go.

And Spirit provides the
ocean and the wind to carry
us there.

We are not here to drift —
we are here to voyage.
