Prosperity

ARE YOU OPEN TO THE
POSSIBILITY OF MORE?

WITH REV. SHERRY HURSEY

Prosperity is life responding to us in ways that remind us there is more possibility available than we can see from our current circumstances.

WHAT IF “WHAT IS” ISN'T THE SAME THING
AS “WHAT IS POSSIBLE”?

“We can become so focused on
“what is” that we keep practicing
the very reality we would
like to change.”

Abraham-Hicks

Florence recognized that God is our
Source and supply, and that we
participate in the unfolding of our lives
through our thoughts, beliefs, and
especially our spoken word.

“God is man's supply and man can
release through his spoken word, all
that belongs to him by divine right.”

Florence Scovel Shinn

WE ARE NOT SAYING:
“GOD, THIS IS THE ONLY WAY YOU ARE ALLOWED
TO BLESS ME!”

WE ARE SAYING:
“DIVINE INTELLIGENCE, THIS IS WHAT MY HEART
IS OPENING TO. SHOW ME THE HIGHEST
EXPRESSION OF IT.”

WITH A FOREWORD BY JAMIE LEE CURTIS

“RATHER THAN FINDING
HEAVEN ON EARTH, WE
ARE ASKED TO RELEASE
HEAVEN BY LIVING ON
EARTH.”

A practice of consciousness.

*What are we thinking? What are we believing?
What are we expecting? What are we saying?
What are we imagining? And most importantly:
What are we willing to receive?*

THOUGHTS, FEELINGS, MENTAL PICTURES
AND WORDS, YOU ATTRACT INTO YOUR LIFE".**

produces what it expects, and positive
declarations outweigh negative thoughts
exponentially.*

Everything you want

The absence of
what you want

“What do I want to experience?”

“What am I moving toward?”

Then imagine it, feel it, anticipate it with enthusiasm.

“When we have a negative emotion it always means the same thing. The larger part of us has an opinion about the thing that we’re feeling negative emotion about, that is different.”

Abraham-Hicks

Right here and right now....Just for a moment...

WHAT WOULD IT FEEL LIKE TO
STAND IN THE MIDDLE OF THE
POSSIBILITY?

Affirmation

My prosperity consciousness is contagious.
When I live from a consciousness of possibility,
I remind you of your possibility.
And you remind somebody else.
And they remind somebody else.
And suddenly we aren't just accumulating prosperity.
We're circulating it.

*What love is ready to move through you?
What creativity? What generosity?
What forgiveness? What wisdom?
What joy? What new possibility?
What dream? What version of yourself?
What heaven?*

PROSPERITY CONSCIOUSNESS

**The willingness to look at what is.....
and still believe in what is possible.
The willingness to speak a new word.
The willingness to feel a new
possibility. The willingness to receive.
The willingness to give. The
willingness to let heaven move
through us.**
